

## Florida seller condition statement

NavStreet worksheet; not an official Florida government form. Describe known material facts that are not readily observable and materially affect the property. Include any known sanitary sewer lateral defects. Attach more pages or existing reports when needed.

Property address: \_\_\_\_\_

Seller(s): \_\_\_\_\_

For each category, mark Yes, No, or Unknown for whether you know of a current defect or material issue. Explain every Yes answer below.

### Structure, roof, foundation, windows, or doors

Circle one: Yes / No / Unknown

### Plumbing, electrical, heating, cooling, or appliances

Circle one: Yes / No / Unknown

### Water intrusion, drainage, flooding, mold, or previous damage

Circle one: Yes / No / Unknown

### Pests, termites, remediation, or environmental hazards

Circle one: Yes / No / Unknown

### Permits, boundary disputes, encroachments, or title issues

Circle one: Yes / No / Unknown

### Sanitary sewer lateral: known defects or required repairs

Circle one: Yes / No / Unknown

### Describe all Yes answers; include location, dates, repairs, and available records:
